

Environmental Justice and Nuclear Waste

The Road from Pilgrim & Seabrook to Texas and New Mexico

September 22, 2018

1:00 PM

Unitarian Universalist Church (First Parish)
19 Town Square, Plymouth, MA

Hear the latest gov't and nuke industry plans to ship an estimated 1,000 high-level nuclear waste casks on our roads and rails.

Come see our mock nuclear shipping cask!

Speakers include:

- **Kerstin Rudek**, organizer of the successful opposition to nuclear waste transport to Gorleben, Germany.
- **Leona Morgan**, Navajo Nation, activist and organizer fighting “nuclear colonialism” since 2007.
- **Diane Turco**, Cape Downwinders, advocate for the immediate closure of Pilgrim Nuclear Power Plant.
- **Pine DuBois**, environmental advocate, executive director Jones River Watershed Association.
- **Tim Judson**, executive director of Nuclear Information and Resource Service.
- **Deb Katz**, executive director of Citizen's Awareness Network.
